Dear Sirs:

Agent for Applicant wishes to make the following voluntary amendments to the claims without adding any new subject matter, namely:

**AMENDMENTS TO CLAIMS**

15. [Amended]

A method of producing a vinyl pool [cover]liner from a continuous web of vinyl comprising:

- (a) unrolling said web from a roll of vinyl unto a rotating cylindrical cutting surface;
- (b) cutting through said web with cutting means while said web is supported by said rotating cylindrical cutting surface during rotation of said cylindrical cutting surface so as to provide segments of said pool [cover]liner;
- (c) unloading said segments of said pool [cover]liner;
- (d) securing said segments of said pool [cover]liner together so as to produce said pool [cover]liner.
